East Kent Hospitals Charity

East Kent Hospitals Charity has been set up as a registered charity to hold and manage donations given to East Kent Hospitals University NHS Foundation Trust. These gifts allow East Kent Hospitals Charity to help the hospitals with additional amenities for both patients and visitors, equipment to provide the best treatment, and funding for research and training to advance the future of medicine and the delivery of services.

Your donation will go directly to improving people's lives and help the East Kent Hospitals Charity to support your hospitals.

We will recognise every donation however large or small. Please let us have your name and address so that we can write and acknowledge your gift.

Gifts in lieu of flowers.

A gift in memory could be a simple donation to the East Kent Hospitals Charity or it could be a donation made instead of floral tributes for the funeral. This could be done by simply stating "family flowers only" in the obituary notice, with a request that donations in lieu of flowers be made to the East Kent Hospitals Charity.

Any gifts made in memory can be sent directly to East Kent Hospitals Charity or forwarded via the Funeral Director.

A gift made upon the anniversary of a loved one's death can be a poignant reminder of the care they received from their local hospital.

On behalf of the Charity please accept our grateful thanks for thinking of us at this most difficult time.
