

COSD - Gynaecology QRG

The site specific Gynaecology data items which are to be collected where applicable.

This QRG is designed to assist users to locate the fields within Infoflex where data for each COSD item is to be entered. Where there are slight variances in the location of fields between Infoflex Version 5 and Version 6, these have been noted against the data item.

Key		Description
M	Mandatory	This data item must be included in the relevant section of the schema when submitting an XML file. The file will fail the validation process if other data items are included in a section which does not contain the mandatory items.
R	Required	This data item must be included in the relevant section of the schema where relevant or applicable. However, the file will not fail the validation process if this item is omitted.
O	Optional	This data item is optional and may be submitted at the discretion of the submitting organisation and their commissioners as required for local purposes.
