

Please take a look at our new training levels before booking onto a session to ensure it is relevant for you.

Please contact the KM CAT office if you want to discuss this further

01227 864083 acat.service@nhs.net

Introductory:

These courses are aimed at anyone who would like to know more about Augmentative and Alternative Communication (AAC). The attendee does not require any experience in this area.

Beginner:

These courses are aimed at people who are newer to AAC but are likely to implement it in their role. Or to those who would like a refresher.

Developing:

These courses are aimed at healthcare professionals who have some awareness and experience of implementing AAC.
