

EAST KENT HOSPITALS UNIVERSITY NHS FOUNDATION TRUST

REPORT TO: **COUNCIL OF GOVERNORS – 8 MAY 2015**

SUBJECT: **LEAD GOVERNOR ELECTION PROCESS**

REPORT FROM: **TRUST SECRETARY**

PURPOSE: **Information**

CONTEXT / REVIEW HISTORY**Role of the Lead Governor (taken from the EKHUNHS FT Guidance on the Statutory Duties of Governors):**

- The Lead Governor will liaise between Monitor and the CoG where Monitor has concerns about the leadership of the Trust or in circumstances where it would be inappropriate for the Chair to contact Monitor or vice versa
- Monitor does not intend the Lead Governor to “lead” the CoG or assume greater power or responsibility than other Governors
- Monitor’s only requirement is that the Lead Governor act as a point of contact between Monitor and the CoG when needed
- The presence of a Lead Governor does not, in itself, prevent any other Governor making contact with Monitor directly if they feel this is necessary.

The Council of Governors had previously agreed to undertake an annual review of the position of Lead Governor of the Council of Governors.

Brian Glew has held this position since July 2014.

The paper outlines the timeline for this year’s review.
